TOWN WARRANT
STATE OF NEW HAMPSHIRE

Grafton, s.s.

Town of Canaan

To the inhabitants of the Town of Canaan, New Hampshire,
who are qualified to vote in Town affairs.

You are hereby notified that the annual town meeting of
the Town of Canaan, New Hampshire, will be held at the Canaan
Fire Station on Tuesday, March 12, 1991, at 10:00 A. M. to act
upon the following articles:

ARTICLE 1: To vote by non partisan ballot for the following
Town Officers:

- A Selectman for a term of three years
- A Treasurer for a term of one year
- A General Assist. Officer for a term of one year
- A Road Agent for a term of one year
- A Town Clerk for a term of three years
- A Tax Collector for a term of three years
- Two Planning Board members for a term of three
years
- A Planning Board member for a term of two years
- A Library Trustee for a term of three years
- A Trustee of the Trust Funds for a term of three
years
- Three members of the Budget Committee for a term
of three years
- A member of the Budget Committee for a term of
two years
- A member of the Budget Committee for a term of
one year
- Any other Town Officer that is required by law.

Polls will be opened for voting by ballot for the Election of
Town Officers at the Canaan Fire Station on Tuesday, March 12,
1991, at 10:00 A.M. and will close at 7:00 P.M. unless the
Town votes to keep the polls open to a later hour.

At the close of the polls, the meeting will be adjourned until
1:00 P.M. on Saturday, March 16, 1991, at the Canaan
Elementary School at which time the following business will be
transacted.

To vote on Articles Two through Twenty,

ARTICLE 2: To see if the Town will vote to raise and appropriate the sum of Six Hundred Thirty Thousand Dollars (\$630,000.00) for the reconstruction/and renovation of the existing town office building; such sum to be raised through the issuance of bonds and notes under and in compliance with the Municipal Finance Act, RSA 33:1, et seq, as amended; to authorized the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable thereto; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; to authorize the Selectmen to take any other action or to pass any other vote relative thereto. (Two-thirds ballot vote required; polls to remain open for at least one hour). (Budget Committee Recommends)

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of Six Hundred Seventy Thousand Dollars (\$670,000.00) for the construction of a new town office building; such sum to be raised through the issuance of bonds and notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq, as amended; to authorized the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable thereto; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; to authorize the Selectmen to take any other action or to pass any other vote related thereto (Two-thirds ballot vote required; polls to remain open for at least one hour). (Budget Committee Does Not Recommend)

ARTICLE 4: Shall the Town of Canaan adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions

from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to age 75 years, \$10,000.00; for a person 75 years of age up to 80 years, \$15,000.00; for a person 80 years of age or older, \$20,000.00. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000.00 or if married, a combined net income of less than \$12,000.00, and own net assets of \$30,000.00. or less, excluding the value of the person's residence.

ARTICLE 5: To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent meeting, to appoint the road agent commencing with the 1992 annual Town meeting.

ARTICLE 6: To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend, without further action by Town meeting, money from the State, Federal or other governmental units or a private source which may become available during the ensuing year, provided that such expenditure be made for purposes for which a town may appropriate money that such expenditures not require expenditure of other town funds. Further, the Selectmen will hold a public hearing prior to accepting and spending the money. RSA 31:95-b.

ARTICLE 7: To see if the Town of Canaan will authorize the prepayment of property taxes due the town to the Tax Collector as provided in RSA 80:52-A.

ARTICLE 8: To see if the Town will authorize the Selectmen to dispose of tax deeded property to the highest bidder of a properly advertised public auction, except that the Selectmen may reconvey residential properties still occupied by the previous owner, to that owner, on such terms and conditions as the Selectmen deem just. In no event shall the total considerations be less than

the unpaid taxes, plus interest and costs, and any other related expenses that the Town has incurred.

ARTICLE 9: To see if the Town will vote to authorize the Selectmen to accept gifts in the name of the Town of Canaan.

ARTICLE 10: To see if the Town will vote to authorize the Selectmen to borrow such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town.

ARTICLE 11: To see if the Town will vote to direct the Board of Selectmen to institute semi annual collection of property taxes in a manner set out in RSA 76:15-b. Implementation of this Article to take effect in 1991.

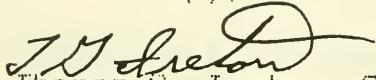

ARTICLE 12: To see if the Town will authorize the withdrawal of \$6,000.00 from the Capital Reserve Fund for the purchase of two sanders for the Highway Department. (Budget Committee Recommends)

ARTICLE 13: (By Petition) To see if the Town will vote to increase the road maintenance appropriation by the amount of Twenty Five Thousand Dollars (\$25,000.00) in order to begin to pave or hard surface the now dirt road/roads known as Back Bay, Fernwood Farms, Clark Hill and/or Stevens beginning near the residence of Al Lawrence on Back Bay and thence continuing in an easterly and northerly direction as far as this sum of money will provide. (Budget Committee Does Not Recommend)

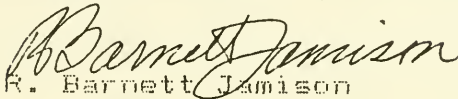

ARTICLE 14: (By Petition) To see if the town will vote to raise and appropriate the sum of Four Thousand Fifteen Dollars (\$4,015.00) to be added to line item number 5115.05 to bring the total amount of line item number 5115.05 to Twelve Thousand Five Hundred Fifteen Dollars (\$12,515.00) of which Three Thousand Fifteen Dollars (\$3,015.00) would be put in to Engine #2 and One Thousand Dollars (\$1,000.00) would be put in to the general maintenance account. (Budget Committee Does Not Recommend)

- ARTICLE 15: (By Petition) To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to be added to the Fire Department budget line item number 5115.06 to bring the total amount of line item number 5115.06 to Eight Thousand One Hundred Ninety Dollars (\$8,190.00), this money is to be used to replace five (5) sets of turn out gear. (Budget Committee Does Not Recommend)
- ARTICLE 16: (By Petition) To see if the Town will vote to raise and appropriate the sum of Two Thousand Three Hundred Fifty Dollars (\$2,350.00) to be added to line item number 5115.04 to bring the total amount of line item number 5115.04 to Five Thousand Three Hundred Five Dollars (\$5,305.00), this money is to be used to replace five (5) of our existing pagers. (Budget Committee Does Not Recommend)
- ARTICLE 17: (By Petition) To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000.00) of the third and last installment of 5 inch hose as established in 1989's Town meeting. (Budget Committee Does Not Recommend)
- ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of \$2,145,502.00 to defray Town charges during the ensuing year as submitted by the Budget Committee and that this represents the total amount voted including money raised in preceding special articles. (Budget Committee Recommends)
- ARTICLE 19: To hear the reports of Agents, Auditors, Committees, or any other Officers and to pass any vote relating thereto.
- ARTICLE 20: To transact any other business that may be legally brought before this Town Meeting.

1990 SELECTMEN'S REPORT

During the past year several major projects have been underway in Canaan. All are completed now, or are nearing completion.

The Recycling Center located at the Canaan landfill began operations in August. This facility is open to both Canaan and Orange residents. To date the recycling effort has met with huge success, enthusiasm and cooperation, with a record amount (31 tons) of material being recycled in just five months time.

Both the Water Treatment Plant and the Sewer Plant should be on line by September of 1991.

Our Recreation Department has received a great deal of attention from Marvin Rocke. As a result of his efforts, William's Field should have a whole "new look" this summer.

Town of Canaan Board of Selectmen
Tom Ireton, Chairman
R. Barnett Jamison
Milton A. Wilson

What a difference a year makes. As I prepare for my third Town Meeting in Canaan, much of our attention is focused on the crisis in the Gulf. Our thoughts are with our brave troops as we hope and pray for a quick, just and peaceful solution to this destructive conflict. The significance of our own struggles and the magnitude of our good fortune becomes more apparent during times such as these.

After the election in March, the Board of Selectmen welcomed Milt Wilson aboard, and his broad past political experience was quickly applied, as the Board addressed the many and varied issues that arose during the year. The complexities of the issues and the divergencies of opinions combined to make many of the weekly Selectmen's meetings lively, intense, challenging and interesting, to say the least.

To many Canaan residents 1990 will be remembered as the year of the reval. A complex process under normal conditions; but, to have it done after a period of thirteen years and instituted during the current real estate decline, has generated additional confusion and concern. My thanks to Apple Appraisal and the property owners of Canaan for their patience and willingness to listen and better comprehend the process. The process continues as the Town attempts to create fair and accurate property values to insure, as best possible, an equitable assessment of property taxes.

In April, the Town selected Hiltz Construction Company, the low bidder at nearly \$500,000. under the projected cost, to complete the second and final phase of the wastewater treatment project. The project is on schedule and expected to become operational in the second half of 1991.

In August, the Town instituted what has become a most successful recycling program. I wish to acknowledge and thank the members of the Canaan/Orange Recycling Committee and its many volunteers for the unqualified success of this important and far-reaching project. I would like to thank Scott Farr, Virginia Hart, Joan Thompson and Gary Wood for their dedication to the cause.

In a similar vein, I would like to thank the members of the Town Hall Study Committee whose efforts resulted in the placement of two articles before the Town Meeting to address the deteriorating conditions of the Town Hall. Their observations and recommendations will be expressed during the discussions of Article 2 and Article 3.

The success of any operation is primarily a function of the efforts and effectiveness of its employees. I would like to take this opportunity to thank the dedicated and hard

working Town employees. Special thanks to Lee Hennessy for his continued professional oversight of the water and wastewater projects; also to Bob Sullivan for his cooperative assistance on various water and wastewater related projects, and to the recycling program. I express my continued gratitude to Emily Heuss for her professional advice and support. Gloria Koch continues to provide invaluable assistance in overseeing the financial records and computer operations of the Town. Many of you have had an opportunity to meet the newest member of the Selectmen's office, Sandy Burke, as she provided coordinating support for the complex Town-wide revaluation; welcome aboard and thanks, Sandy.

The Town continues to benefit from the efforts of many citizens who contribute their efforts and expertise as volunteers on the numerous committees and boards. This dedication improves the quality of life for the residents of Canaan. I encourage you all to read these committee reports and to take the time to acknowledge their efforts.

Sincerely,
Dexter D. Bucklin, Administrator

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROLS (ACCOUNTING AND ADMINISTRATIVE) - BASED ON A STUDY AND EVALUATION MADE AS PART OF AN AUDIT OF THE GENERAL PURPOSE FINANCIAL STATEMENTS AND THE ADDITIONAL TESTS REQUIRED BY THE SINGLE AUDIT ACT

To the Board of Selectmen
Town of Canaan, New Hampshire

We have audited the general purpose financial statements of the Town of Canaan, New Hampshire for the year ended December 31, 1989, and have issued our report dated April 5, 1990. As part of our audit, we made a study and evaluation of the internal control systems, including applicable internal administrative controls, used in administering federal financial assistance programs to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards, Governmental Auditing Standards, issued by the Comptroller General of the United States, the Single Audit Act of 1984, and the provisions of OMB Circular A-128, Audits of State and Local Governmental Units. For the purpose of this report, we have classified the significant internal accounting and administrative controls used in administering federal financial assistance programs in the following categories:

ACCOUNTING CONTROLS

- Billing
- Receivables
- Cash Receipts
- Purchasing and Receiving
- Cash Disbursements

ADMINISTRATIVE CONTROLS

- General Requirements
 - Political Activity
 - Davis-Bacon Act
 - Civil Rights
 - Federal Financial Reports
- Specific Requirements
 - Types of Services
 - Matching Level of Effort
 - Reporting

The management of the Town of Canaan, New Hampshire is responsible for establishing and maintaining internal control systems used in administering federal financial assistance programs. In fulfilling that responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of internal control systems used in administering federal financial assistance programs are to provide management with reasonable, but not absolute, assurance that, with respect to federal financial assistance programs, resource use is consistent with laws, regulations, and policies; resources are safeguarded against waste, loss, and misuse; and reliable data are obtained, maintained, and fairly disclosed in reports.

Because of inherent limitations in any system of internal accounting controls used in administering federal financial assistance programs, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the systems to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study included all of the applicable control categories listed in the first paragraph. During the year ended December 31, 1989, the Town of Canaan, New Hampshire expended 78% of its total federal financial assistance on major federal financial assistance programs and the following nonmajor federal assistance program:

U.S. Department of Agriculture - Water and Waste Disposal
Systems for Rural Communities

With respect to internal control systems used in administering these major and nonmajor federal financial assistance programs, our study and evaluation included considering the types of errors and irregularities that could occur, determining the internal control procedures that should prevent or detect such errors and irregularities, determining whether the necessary procedures are prescribed and are being followed satisfactorily, and evaluating any weaknesses.

With respect to the internal control systems used solely in administering the other nonmajor federal financial assistance programs of the Town of Canaan, New Hampshire, our study and evaluation was limited to a preliminary review of the system to obtain an understanding of the control environment and the flow of transactions through the accounting system. Our study and evaluation of the internal control systems used solely in administering these nonmajor federal financial assistance programs of the Town of Canaan, New Hampshire did not extend beyond this preliminary review phase.

Our study and evaluation was more limited than would be necessary to express an opinion on the internal control systems used in administering the federal financial assistance programs of the Town of Canaan, New Hampshire. Accordingly, we do not express an opinion on the internal control systems of the Town of Canaan, New Hampshire. Further, we do not express an opinion on the internal control systems used in administering the major federal financial assistance programs.

Also, our audit, made in accordance with the standards mentioned in the first paragraph, would not necessarily disclose material weaknesses in the internal control systems for which our study and evaluation was limited to a preliminary review of the systems as discussed in the fifth paragraph of this report.

However, our study and evaluation and our audit disclosed the following conditions that we believe result in more than a relatively low risk that errors or irregularities in amounts that would be material to a federal financial assistance program may occur and not be detected within a timely basis. The Town's internal control system requires that the governing body approve all expenditures. We noted approximately \$15,000 of cash disbursements in the water project which were not included on vendor manifests and therefore not approved by the Board of Selectmen.

These conditions were considered in determining the nature, timing, and extent of the audit tests to be applied in (1) our audit of the 1989 general purpose financial statements and (2) our audit and review of the Town's compliance with laws and regulations noncompliance with which we believe could have a material effect of the

allowability of program expenditures for each major federal financial assistance program and nonmajor federal financial assistance programs. This report does not affect our reports on the general purpose financial statements and on the Town's compliance with laws and regulations dated April 5, 1990.

This report is intended solely for the use of management and should not be used for any purpose. This restriction is not intended to limit the distribution of this report, which upon acceptance by the Town of Canaan, New Hampshire, is a matter of public record.

Vachon, Cleary & Co., PC

April 5, 1990

PLANNING BOARD

The Planning Board has had another active year despite the slowdown in the economy. The Board approved three major subdivisions and sixteen minor subdivisions. Canaan continues to be an active area for residential development.

The proposed zoning ordinance was defeated at the 1990 Town Meeting.

The Board continues its work in updating the Town Subdivision Regulations to reflect changes in State statutes and State Court decisions.

BUILDING PERMITS

The responsibility of maintaining an up to date record of new construction, renovation, and the compliance of both with State building codes, initiates with the Building Inspector. Roger L. Remacle, Sr. is the Town's building inspector; we are fortunate to have his dedicated services. In 1990 the income from Building Permit Fees was \$1,402. The Building Permit fee schedule is as follows:

\$25.00/new house construction
\$25.00/commercial construction
\$15.00/manufactured housing (mobile or modular homes)
\$10.00/renovations or additions
\$ 2.00/renewal - building permits are valid for 12 months.

New Homes	13	36	56
Mobile Homes	17	17	21
Renovations	74	100	130
Commercial	2		
Renewals	16		

REPORT OF THE CONSERVATION COMMISSION

In November 1990, The Land Conservation Investment Program grant process was completed, and the Town of Canaan received a conservation easement on Brownlee McKee's Bird In Hand Farm. Miss McKee donated half of the easement value to the Town, and LCIP funds purchased half.

While the 236 acre farm remains privately owned, the easement protects and preserves the property forever. The parcel includes extensive frontage, on both the Mascoma and Indian Rivers. The diversity of land types, open fields, woodlands, wetlands, bog and riverine habitat, provides excellent conditions for a great variety of plant and wildlife.

We are fortunate that this very special place will be preserved for future generations to enjoy. THANK YOU, Brownlee McKee!

The Commission has received many new dredge and fill permit applications, as well as reports from the New Hampshire Wetlands Board on the status of violations which occurred earlier and are still under investigation. The Wetlands Board appears to be increasingly strict in its enforcement of RSA 483A; heavy fines are imposed for noncompliance. It is essential therefore, that anyone proposing to fill, dredge or undertake any construction in a wetland, or adjacent to open water, must first file a dredge and fill permit application. Applications are available at the Canaan Town Office.

Work continues on the Wetlands study, which began in the Fall of 1988. Field work has been completed. The information is being evaluated, and compiled into a report which will be a valuable resource for the Town.

Respectfully submitted,
Susan Russell Kraatz, Chairman
Kate Brooks
Edith Maynard
Len Reitsma
Bob Reitsma
Bill Roebuck
David Scanlan

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

During calendar year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II), "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail, and you are also liable for all fire suppression costs.

The State of New Hampshire Division of Forests and Lands assisted many towns in wild land fire suppression during 1990 including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident command system (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any question regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

FOREST FIRE STATISTICS - 1990

	State	District	Town
Number of Fires	489	10	2
Acres Burned	473	2.6	2 1/5

Sincerely,
John Q. Ricard, Forest Ranger
Tom McDermott, Forest Fire Warden

CANAAN FIRE DEPARTMENT

This has been a busy and exciting year for the Canaan Fire Department. During this past year the Canaan Fire Department responded to 107 alarms as follows:

Structure fires	8	Automobile accidents	8
Chimney fires	16	Alarm activations	14
Brush/grass fires	6	Odor investigations	6
Electrical fires	5	Code inspections	14

Training continues to be a priority for the department. To date, 29 members of the department have passed the Level 1 Firefighter Course. Numerous other courses have been offered at our Fire Station. These have been well attended, not only by our staff, but by individuals from other communities and emergency organizations as well. The courses offered have been: Defensive Driving Awareness, CPR, First Responder, and Hazardous Materials Awareness.

A grant was obtained through the New Hampshire Highway Safety Department, the Mascoma Savings Bank and the Canaan Lions Club to purchase "The Jaws of Life." Our trucks are in good condition mechanically. However, some body work will be required on Engine #1 and Engine #2 to keep them in service. A new pump was installed on Engine #1, and the pump on Engine #2 was rebuilt this year. The meeting room in the Station House continues to serve as a gathering place for many area organizations, including the Cub Scouts, Girl Scouts and the Snowmobile Club.

Last August the Firemen held a Ham and Bean Supper during the Canaan Old Home Days. We are hoping to make this an annual event.

During the past year a flagpole and a flower garden at the station were dedicated to the members, past, present and future, of the Canaan Fire Department. This memorial is a symbol of the commitment and dedication of the members of the department in providing quality fire protection for this community.

Respectfully submitted,
Tom McDermott, Fire Chief

CANAAN POLICE DEPARTMENT

With the number of major crimes that have been investigated by the Canaan Police Department during the past year, the demand for law enforcement services in our community has reached an all time high. Several hundred hours, that would normally have been directed to patrol and administrative activities, were committed to criminal investigations, and the resources of the Police Department have been pushed to an extreme.

In March of 1990, two separate burglary rings involving about fifteen different individuals were discovered operating out of Canaan. Investigation indicated that the crimes had been committed within a 50 mile radius of here, and that Canaan had become a repository for all of the criminal activity. Through our investigation, we were able to recover several thousand dollars worth of stolen property and return it to its rightful owners. The persons involved in these crimes have been charged and brought before the courts for criminal prosecution.

In an attempt to continue our commitment to make the highways of our community safe again, I applied for the New Hampshire Highway Safety Funds, and received funding for two projects.

The Police Department had received several complaints relating to morning traffic violations as well as traffic accidents recorded in this same time period. One of the projects, applied for and granted, was the monitoring of morning traffic (6:00 to 8:00 A.M.) and afternoon traffic (3:00 to 5:00 P.M.). During these periods, the Canaan Police cruiser became a familiar sight out on the roads to many of you.

The other project applied for was a second patrol vehicle on Friday and Saturday nights throughout the summer months. At the conclusion of these projects, I compared the accident statistics from the past three years. On an average, the number of personal injury and property damage accidents had been reduced by more than 30 percent.

On October 2nd., at approximately 3:00 P.M., the Canaan Police Department was called to respond to a location on Fernwood Farms Road where a body had been discovered. From the onset of this investigation, it was determined that foul play had been the cause of death.

For several weeks following this discovery, members of the Canaan Police Department and the New Hampshire State Police worked together trying to identify the victim. Three and one half weeks into our investigation, the victim was identified

as a woman from Newington, Connecticut. Attention then turned towards finding out who would commit such a heinous crime in our community.

The investigation was then concentrated in the Newington, Connecticut area. Members of the New Hampshire State Police Major Crime Unit and I traveled to the location where, with the assistance of the Newington Police Department Detective Division, we were able to develop information which directed us to a primary suspect, who was from the Connecticut area and who had a relationship with the victim.

When all of the evidence which we collected comes back from the crime laboratories, this case will be presented to the Grafton County Grand Jury by the State Attorney General's Office for criminal proceedings against the perpetrator. It is my belief that the evidence is overwhelming and should sustain a conviction in this case.

Throughout this investigation, the Canaan Police Department made a commitment of man-hours, equipment, and services which reflected the readiness and dedication of this organization in dealing with major police investigations.

The results of our last census indicated that we now have a year-round population in excess of 3,000. This population figure has established a mandate which directly affects all law enforcement activities in our community. State laws have been established, that once you reach that mark, you become a self-supporting law enforcement community. The obvious rapid growth in our community, the type, frequency, and seriousness of crimes experienced over the past year, and the demand for quality police services are also experiencing a forever escalating increase. We are continuously monitoring these trends and are changing our work activities and training requirements to deal with them.

Even in today's economic crunch, we, the members of the Canaan Police Department, have a responsibility to continue to provide the most professional law enforcement services to all of our citizens who live in the community. With your continued support and understanding, our mission will be accomplished.

Sincerely
Jonathan E. Putnam
Chief of Police

ROAD AGENT'S REPORT

This year the Highway Department has been called upon to do a large variety of jobs. This included picking up trash weekly at Goose Pond and Clark Pond, some parks and recreation jobs, repairing the flagpole and water fountain, designing and building 1000 feet of storm drain downtown, and other Water Department related jobs that were not a part of the water contract. Also, the recycling loop and related building. In addition, most of this work had time limitations.

We were also able to get over 7000 feet of Turnpike Road prepared for paving, removing vast quantities of large stones in the roadbed.

Some stone removal was also begun on South Road, in addition to completing some ditching on South Road.

The Highway Department was able to riprap a corner in the Indian River, after long permit delays.

We received a small sum from the Federal Government for damage sustained during heavy August rains.

Some shimming was done on Goose Pond Road, South Road, Stevens Road and West Farms Road. However, much more is needed!

As I write this in early January, it would appear that we are in for another icy winter. Heavy rains, followed almost immediately by freezing temperatures, have rutted out our dirt roads. We will attend to this problem, just as soon as it warms up enough.

We have had to install and/or replace a large number of culverts all over town. It would seem that a lot of these culverts were put in at the same time, and are now rotting out all at the same time.

The costs relating to this are constantly going up; this is a real problem as far as our taxes go. I believe that we spend less than ten cents for every tax dollar.

Robert Sullivan, Road Agent

OLD HOME DAYS

Old Home Days Weekend was held on August 3rd, 4th and 5th, and was a huge success. The theme was "The 50's and 60's," and many floats from local organizations followed this theme.

Our thanks to all of those who participated and gave their time and support in an effort to make the weekend fun for everyone.

The size of the parade and the number of events increase every year. Special events were held at William's Field following the parade, for everyone's enjoyment.

Friday, August 3rd, The Policemen's Lobster and Chicken Barbecue opened the weekend festivities at 5:00pm. Later on in the evening, races were held at the Fair Grounds. At the Old Meeting House on Canaan Street an exhibit of Currier and Ives prints was open to the public.

Saturday, August 4th, The Annual Crafts Fair, Food Concessions, and Flea Market opened on the Town Common at 9:00am. The Currier and Ives exhibit reopened at 9:00am, and the Parade commenced at 9:30am. It was the largest parade yet, led by the American Legion Color Guard and the Upper Valley Community Band. Governor Judd Gregg was present, and joined the parade as well. Grand Marshals were Daniel and Betty Fleetham.

A concert followed at William's Field, performed by the Upper Valley Community Band. Entertainment was also provided by the Foggy Mountain Cloggers and the Mount Cardigan Square Dancers.

At 10:30am there was Horseshoe Pitching, complete with prizes; a photo contest was held at the Legion Building from 10:00am until 4:00pm., and a "Games and Dunk Tank" was offered by the Mount Cardigan Snowmobile Club. The Historic District was open from 1:00pm until 4:00. A Soap Box Derby was held at 1:00pm at the High Street Speedway, and at 2:00pm we enjoyed the talents of a chain saw artist at William's Field. The end result, a fine carving, was then raffled off.

At 5:00pm a Fireworks Supper held at the Fire Station was well attended. At 6:30. a B.J. Aerobic demonstration was held at William's Field, and from 7:00 until 8:00pm, we were once again entertained by the Foggy Mountain Cloggers. To round out the day's festivities, we danced to live music, provided by Yvonne and The Reverbs. The music played on until 11:45pm.

Sunday, August 5th, Morning worship services were held at all churches from 7:00 until 11:00am, followed by a Pancake Breakfast at the Senior Center on Church Street at 8:00 o'clock. The Softball Tournament at William's Field began at 8:00am, and registration for the Road Race was held opposite the Canaan Street Beach. At 9:00am sharp, the Road Race

began.

The Crafts Fair on the Common continued on Sunday, from 9:00am until 3:00 in the afternoon. At twelve noon a Horseshoe Tournament was held at William's Field, followed by the now "famous" Cow Flop Drop Contest at 2:00pm. A random drawing for spaces began at noontime. The annual service at Old North Church was held at 4:00 o'clock, a fitting close to a wonderful weekend.

During the past year we held an Easter Egg Hunt for the children; this was well attended and most successful.

Santa Claus was present at the Crafts Fair in November, with gifts for the children. Fun was had by all!

The funds for Old Home Days Weekend were raised through donations, the sale of T-shirts, sweatshirts, and caps; ads, and sponsors for the programs, pins, raffles, and Town funding. We raised \$4769.00; expenses totaled \$3363.11. Profit \$1405.89.

The Old Home Days Committee meets from February through December, on the first Tuesday of each month. Meetings are held at 7:30pm to work on plans for the Old Home Days celebration for the coming year. The dates set for the 1991 Old Home Days Weekend are August 2nd, 3rd and 4th. The theme in 1991 will be "Nursery Rhymes."

We are always open to ideas that will make the weekend more fun, interesting and memorable. If anyone has any suggestions, please let us know. All are welcome!

Old Home Days Committee

Co-Chairmen:

Georgia Tilton

TRUSTEES OF THE CANAAN TOWN LIBRARY

The trustees of the Canaan Town Library are pleased to report that our library has experienced a year of significant growth, improvement and innovation. As an added benefit, the library's continued sponsorship of special events such as the IRS prize speaking contest, our children's summer reading program, an Upper Valley book discussion group, and the Meetinghouse Readings, have brought us and Canaan, some widespread and very positive publicity!

The past year has found the trustees able, through the generosity of several library benefactors, to complete our interior redecoration with the purchase of drapes, and to equip the library with a copier. Circulation has increased; our librarian reports appreciation for and heavy use of our new collection of recorded books and video tapes. In an effort to increase the circulation of our excellent selection of large-print books, the trustees have established a satellite collection at the Mascoma Senior Center.

As previously mentioned, our support of special programs has brought many rewards: the area-wide book discussions have attracted a varied and stimulating group of readers; our summer reading program for children enjoyed another highly successful year, with more children reading books than ever; and the Meetinghouse Readings, under the leadership of Bill Craig, commanded an audience of 1300 during its six evening sessions and received national attention for its quality and popularity. A summer-1991 continuation of all of the above programs is already finalized.

In economic times which find most libraries struggling to maintain readership and suffering cutbacks on every hand, we are proud of the success and growth of the Canaan Town Library. We thank Canaan's citizens, the town's Selectmen, Administrative Assistant and the Budget Committee for their strong support of the work of the library.

Trustees of the Canaan Town Library
Martha G. Pusey, Chairman

MEETING HOUSE COMMITTEE

If you would like to use The Meeting House for a private or public affair in 1991, plan to make your reservation early.

In 1990 eight events took place in the Meeting House; an Earth Day display in May and a Tour Del Soule Car Race concert given by Susan Stark. In July, the Cardigan Mountain Tradition played to a full house.

The Canaan Town Library hosted six evening reading sessions by regional authors, an event which will be held again in 1991.

In August the Currier and Ives exhibit was on display during our Old Home Days Weekend. Thomas Geoghagen presented a guitar recital which was well received.

Once again this year The Meeting House was home to another wedding reception; this is a beautiful use of the building.

Restoration work began on the balcony railing in December, and will be completed in May of 1991.

Treasurer's Balance, Jan. 1, 1989	\$21,021.81
Expenses	1,205.60
Income	4,011.11

CANAAN HISTORIC DISTRICT COMMISSION

From February 1990 to January 1991 the Canaan Street Historic District Commission held ten regular meetings and five special meetings. A total of fourteen applications were received and acted upon by the Commission. Back yard decks, picket fences, cupolas, ramps, gazebos and paint colors were some of the items brought before the Commission. The Commission approved eleven applications and denied three, one of which was later approved on appeal of the original decision.

At a special meeting in February, the Historic District Commission met with New England Telephone to solve an ongoing disagreement over the placement of a telephone junction box. The Commission had denied approval to New England Telephone for placement of the junction box directly opposite the 1793 Town Meeting House on Apple Blossom Lane. The Commission felt that the junction box would be very unsightly and adversely affect the landscape surrounding the Meeting House and the Historic District. A compromise was reached when New England Telephone agreed to move the junction box 200 feet west on Apple Blossom Lane, out of sight of the Meeting House and Canaan Street.

Other special meetings were called to accommodate homeowners, who for various reasons had not been able to make application by the regular meeting, or who needed additional assistance.

In the Spring of 1990 the Commission published a newsletter which was delivered to each homeowner in the Historic District. The letter contained news and information about the district, as well as a copy of the regulations, and a copy of the revised application form. The Commission hopes to continue publishing these newsletters on a regular basis.

The Commission urges, that anyone owning property within the district, submit a timely and complete application for any proposed change, large or small. There is an increasing problem of applications being submitted after the fact. While we will work to accommodate as best we can, it is a smoother road for all, if an application is submitted before any work is begun. Please submit your application to the chairman by the second Thursday of each month.

Our meetings are generally held on the third Thursday of the month at 7:30 P.M., and are open to the public. Please contact the chairman to confirm the time and place of these meetings. Copies of the minutes are posted at the Town Offices.

Mary H. Noordsy, Chair (1991)
Margaret C. Taussig, Clerk (1991)
Gregory Bogdanich (1991)
Daniel W. Fleetham (1992)

ADVANCE TRANSIT, INC.

Advance Transit, Inc. is a nonprofit agency that provides public transportation services to the towns of Canaan, Enfield, Hanover, Lyme, the city of Lebanon, New Hampshire and the towns of Hartford and Norwich, Vermont. Advance Transit is overseen by a Board of Directors comprised of representatives appointed by the towns and institutions served by the system, as well as some at-large members.

A comprehensive revision of routes and schedules was implemented in October of 1989; temporary black and white schedule brochures were replaced with a color coded version in February of 1990.

One of the highest priority projects to be undertaken in the future is the acquisition of a permanent location for maintenance and administration facilities. A significant portion of annual operating costs are currently required to lease facilities. Advance Transit has obtained a technical assistance grant from the Community Transportation Association of America to develop a preliminary design and financing plan for the facility. The CTAA will also assist with site review and an implementation plan for the project, successful completion of which will have long term financial and operational benefits for Advance Transit.

Advance Transit thanks you for your continued support. We look forward to serving you throughout 1991.

Respectfully submitted,
Van J. Chestnut
Executive Director

GRAFTON COUNTY SENIOR CITIZENS COUNCIL

Grafton County Senior Citizens Council, Inc. provides community based services to older residents of Canaan through the Mascoma Area Senior Center, located in the former Indian River Grange Hall. All services of the agency are designed to support older people who wish to remain independent in their own homes and communities, despite increasing physical frailty. Services of the Mascoma Center include Home Delivered Meals, a weekly Senior Dining Room Program, Outreach and Social Work Services, Adult Day Care, Transportation, Health Education and Screening, Information and Referral, Recreation, and opportunities for elders to serve their communities through volunteering.

During 1990, some 215 older residents of Canaan received services valued at \$64,714 through the Mascoma Area Senior Center. These services included 11,045 hot, nutritious meals delivered to individuals in their homes, or served in a social setting at the Mascoma Center; 571 transportation trips and 1,575 visits with our social worker. Grafton County Senior Citizens Council's cost to provide these services was \$64,713, \$2,572 of which was contributed by the Town of Canaan. This year the agency is requesting \$2,600 toward support of these services, which represents a positive investment in services for older residents of the community.

The staff is particularly proud of the Center's new lift-equipped van which is driven by several dedicated volunteers, and which provides access to health care services, food shopping and other community services for older and handicapped individuals. We are proud of our Walking club which meets weekly, and which helps older people to remain physically active into old age through a schedule of vigorous exercise programs. Also worthy of note is the Senior Dining Room Program which has grown to such an extent, that not all who wish to participate can be accommodated, due to space limitation. Our hope is that this program can be expanded during the coming year. We are particularly pleased that the Center has received commendations from the New Hampshire Department of Health for the cleanliness of the facility.

Through the years, the staff and Board of Directors of the Grafton County Senior Citizens Council have appreciated the support of the Town of Canaan for services which enhance the independence of its older residents. We look forward to a continuing partnership which will benefit our older citizens and their families.

Carol W. Dustin, Executive Director
Carol Tucker, Senior Center Director

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.

STATISTICS for the TOWN of CANAAN
October 1, 1989 to September 30, 1990

Number of Senior residents served: 215 (of 303 over 60; 1980 Census)
Number of Canaan Volunteers: 62
Number of Volunteer Hours: 5,137

(1)				
SERVICES	UNIT OF SERVICE	UNITS OF SERVICE	UNIT COST x	TOTAL COST OF SERVICE
Congregate/Home Delivered Meals		11,045	x \$4.42 =	\$48,818.90
Transportation (Senior Only) Trips		571	x \$4.68 =	2,672.28
Adult Day Service Hours		9.5	x \$3.00 =	28.50
Social Services Half-Hour		1,574.5	x \$8.38 =	13,194.31

GCSCC cost to provide services for Canaan residents only:
\$64,713.99

Request for Senior Services for 1990: \$2,572.00

Received from Town of Canaan for 1990: 2,572.00

Request for Senior Services for 1991: 2,600.00

In addition to the above services, the Grafton County Senior Citizens Council, Inc. mails out a monthly newsletter to approximately 186 addresses.

To the Citizens of Grafton County:

FY 1990 has been a year of change for Grafton County. The retirement of longtime County Administrator William Siegmund prompted the Commissioners to reorganize the overall administrative structure of the County. Top administrative positions now include the Executive Director, Nursing Home Administrator, Superintendent of Corrections, Farm Manager, and Superintendent of Maintenance. The reorganization has improved the efficiency and effectiveness of County operations without increasing costs.

The Sheriff's Department has also undergone a transition under the leadership of Sheriff Charles Barry. The Dispatch Center has been upgraded, courthouse security has been improved, and an expanded training program has been offered to help county and municipal law enforcement meet State requirements. The Department's work load has continued to grow, reflecting the increase in Superior Court cases.

As a first step in addressing space problems at the Grafton County Courthouse, the County Legislative Delegation appropriated \$250,000 of surplus to construct administrative offices between the courthouse and nursing home. The Commissioners' Office moved into the new administrative building in early January, freeing additional space for the County Attorney's Office and the State Probation and Parole Office. Construction cost considerably less than that projected for an addition to the courthouse.

Fiscally Grafton County continues to be very sound. Working together, the Commissioners and Legislative Delegation limited budget increases to 4.4%, from \$11.2 million in FY 1990 to \$11.7 million for FY 1991. We are especially pleased that the county tax actually decreased 5% from \$6.3 million in FY 1990 to just \$6.0 million in FY 1991. A budget surplus from the previous fiscal year plus increases in nursing home revenues and Sheriff's Department fees contributed to the tax decrease.

Nevertheless, property taxes continue to fund approximately half of the County budget, with the rest coming from a combination of State and Federal monies and user fees. The Commissioners, through the New Hampshire Association of Counties, continue to monitor State legislature proposals that would increase county costs, thereby increasing local property

taxes. During the 1990 legislative session we were effective in averting attempts to increase the County share of Medicaid costs and eliminate the Medically Needy Program, which would have forced counties to absorb nursing home costs for medically needy residents or ask towns to provide general assistance.

During FY 1990 Grafton County also distributed a total of \$78,836 in State Incentive Funds to programs that prevent out-of-home placements of troubled children and youth. Included were drug and alcohol abuse prevention programs, parenting skills workshops, parent aides, child care training and referrals, services to pregnant teens, and court diversion for first-time youthful offenders. The Commissioners also expanded the County-funded Youth and Family Mediation Program to provide services countywide, adding the Plymouth center to those in Lebanon and Littleton. These efforts help limit county expenditures for court-ordered services to children and youth (\$611,462 in FY 1990).

Grafton County Board of Commissioners hold regular weekly meetings on Thursday at 9:30am at the Grafton County Commissioners Office Building. Every fourth Thursday afternoon the Commissioners also meet at the Nursing Home, House of Corrections and Farm, followed by a tour of each facility. All meetings are open to the public, and we encourage public and press attendance. Please feel free to contact the Commissioners: PO Box 108, Woodsville, NH 03785. Telephone (603)787-6941.

In closing, we wish to express our appreciation to all staff members, elected officials, other agency personnel and the public for their efforts in serving the citizens of Grafton County.

Respectfully submitted,

GRAFTON COUNTY COMMISSIONERS

Betty Jo Taffe, Chairman District 3
Everett Grass, Vice Chairman District 2
Gerard Zeiller, Clerk District 1

CANAAN F.A.S.T. INC.
"PEOPLE HELPING PEOPLE"

The year 1990 has been a successful year for the Fast Squad. We have completed most of the year with six people covering all of the runs. This does not include the three dispatch people who have also given of their time to provide support for each run, standing by whenever a call comes in.

We have several people who are interested in participating in the Fast Squad. The hours of training are long and pay is nonexistent. Once a volunteer becomes certified, the training of that individual does not end, as we strive to perfect skills and learn the latest methods of treating patients in emergency situations. We expect a great deal from our ambulance attendants, AND WE GET IT! The days of "load and go" are over. One must be able to determine the exact problem in an emergency, and treat it accordingly. We expect our people to be prepared to handle any situation and to do whatever is necessary to treat and transport our patients to their destination.

We are constantly reminded that the treatment of a patient in the field, directly affects the final outcome, insofar as the patient's well-being is concerned. The field treatment of a patient can have a bearing, weeks and even months after the incident. We are required to give our best to each individual that we treat. We are held accountable for that treatment by the hospitals to which we transport our patients.

To that end, we continue to train, to increase our knowledge, and continually strive to serve area communities in the most professional manner possible.

HEADREST

Headrest, the Upper Valley's 24-Hour Crisis Hotline and Information & Referral service, thanks the residents of Canaan for their support. Headrest serves the people of Canaan in many ways:

24-Hour Hotline

In an emergency, someone is always available at Headrest to offer personal support and help to locate resources. Headrest's Hotline is certified by the American Association of Suicidology, and phone workers have special expertise in handling crises involving the use of alcohol or drugs. Hotline workers are trained to be understanding, listen carefully to the caller, and lend emotional support in a non-judgmental way.

Information & Referral

People can call Headrest whenever they have a question or problem and are not sure where to turn. Headrest has information on local services, tenants' and consumers' rights, drugs and alcohol, legal assistance, counseling services, and support groups. Headrest has also been designated by ACoRN to be its contact point for information on AIDS issues.

Shelter for the Homeless

Temporary lodging is offered to homeless people referred to Headrest by local police, hospitals, churches, and mental health centers. Also, supervised overnight lodging and follow up counseling is available for intoxicated persons with funding from New Hampshire and Vermont offices of Alcohol and Drug Abuse Prevention.

Alcohol & Drug Programs

Headrest offers information, educational presentations, plus individual and family counseling around substance abuse issues. Headrest is virtually the only free or low cost drug and alcohol counseling service in the Upper Valley. In 1990, we began offering H.O.P.E.S (Headrest Outreach Program for Educators and Students) substance abuse education and support groups at Mascoma Valley Regional High School.

Teenline

Headrest's Teenline began operating in March of 1990. Teen volunteers who have completed the demanding Teenline training program are available three afternoons and evenings a week to take calls from their peers. Back-up at other times is provided by Headrest's 24-Hour Hotline. Great emphasis is put on helping teens concerned about their own and others' drug and alcohol problems, who may be depressed or suicidal, victims of abuse, and young people who may just be in need of a caring listener.

Note: Complete financial information and statistics are on file with the town. In 1990, 77 Canaan residents called Headrest's Hotline a total of 139 times, including 2 suicide calls.

MASCOMA HOME HEALTH SERVICES

We are pleased once again to have this opportunity to report on the work done by Mascoma Home Health Services during the past year.

Services and programs have been developed to meet the needs as seen by the local population that we serve. To do this, we plan care for each individual. It is this very individualized planning that makes home care so satisfactory to those who need very highly skilled nursing care, as well as to those who require some help with daily tasks, so that they may continue to remain in their own homes.

The agency also offers a comprehensive child health program which includes a well-child clinic, parenting support groups, and parent aides. All of these programs are aimed at helping young families care for themselves and their children in the most positive manner possible.

Blood Pressure Screening Clinics are available monthly at the Senior Center, and a monthly Foot Care Clinic is held in the office on Main Street in Canaan. Anyone is welcome to come to the clinics. If you need further information, just give us a call; we are here for you.

This year the professional staff has made 7331 home visits throughout the Mascoma Valley.

Visits for the Town of Canaan: 2548

Number of individuals: 311

Thank you for the support you have given us. We are looking forward to working with you in the coming year.

Respectfully submitted,

Janet G. Knight

Executive Director

Mascoma Home Health Services

HOSPICE OF THE UPPER VALLEY, INC.

Hope means to keep living
amid desperation
and to keep humming
in the darkness.

--Henri Nouwen

Hospice of the Upper Valley helps people to live as fully as possible in the face of illness, death and grief. Hospice provides educational programs and direct care services free of charge to 25 communities in Vermont and New Hampshire.

SERVICE DURING 1990

Hospice helped 554 patients, families and friends in its four categories of service: ancillary medical support, bereavement care, short term counseling, information and referral.

One hundred and fifteen patient/family units received Hospice nursing assessment and consultation, volunteer assistance with routine tasks or respite care in home, hospital or nursing home. (222 individuals received care)

In addition, one hundred and thirty nine people received support and guidance in their grief. Twenty five of these individuals were the children, (twelve years of age and under) in our support groups for bereaved children.

Forty three adults participated in ongoing support groups.

Another fifty one people, coping with dying and death related issues, received short term counseling. One hundred and forty one individuals received information, or referral to other services.

In a new program, jointly administered with ACoRN, Hospice trained AIDS buddies provided care for eight people.

Twenty eight Canaan residents used our services, (from a total of 412 people, excluding Information/Referral).

The care which patients and families receive is overseen and guided by the Hospice Interdisciplinary Team, which includes at least one representative from each of the following professions: Clergy, Discharge Planner, Hospice Nurse, Home Health Nurse, Oncology Nurse, Physician, Social Worker, and Hospice Volunteer.

In order to insure comprehensive medical and case management services, Hospice participates in the Hospice Regional Network (with six area home health agencies and four other volunteer Hospice programs) to provide the Medicare Hospice Benefit.

EDUCATION

Thirty five people from Upper Valley towns took our volunteer training program in 1990, with many participating for professional and/or personal growth. Twenty four of these individuals want to volunteer time to Hospice.

They join our pool of one hundred and forty trained volunteers who, in 1990 gave approximately 3,000 hours of service to patient/families, and 2,200 hours in administration, fund raising, publicity and education.

Working in conjunction with a local AIDS action group, Hospice offered an AIDS buddy training for those interested in helping people with Aids. Eight people completed the course, making a total of seventeen buddies currently available.

Four Hospice volunteers live in Canaan.

EDUCATION

Our 1990 Annual Speaker's talk and workshop featured Caroline Myss on "The Place of Death in the Healing Perspective." Over 200 people attended the talk, and an additional 35 attended the workshop.

Hospice's other education programs reached 1,500 individuals. Highlights include: A course given to Dartmouth Medical School students, presentations to area public schools, hospital and nursing home in-services, and the Annual Hospice Sabbath. Seven area churches participated in the Annual Sabbath by focusing on the special needs of the dying and the grieving in their worship services.

PROGRAM

Our three paid staff members, an administrative assistant, a nurse and a social worker, all coordinate the work of the Hospice. A creative arts therapist is hired on a consulting basis to lead the childrens' groups.

The Board of Directors oversees the administration of Hospice, and monitors long range development and fund raising.

Hospice's major sources of income include, memorial gifts, individual donations and Town support. We are not a United Way Agency.

In 1990, Canaan allocated \$750. towards our \$92,000 operating budget. For fiscal year 1991, we are requesting \$750. towards \$97,000 of anticipated expenses.

Hospice of the Upper Valley services are available, free

of charge in Canaan, Enfield, Hanover, Lebanon, Lyme, Orford and Plainfield, New Hampshire. In the state of Vermont, services are available in Barnard, Bradford, Bridgewater, Cornith, Fairlee, Hartford, Hartland, Newbury, Norwich, Plymouth, Pomfret, Thetford, Topsham, Reading, Vershire, West Fairlee, Windsor, West Windsor and Woodstock.

Call Hospice at (603)448-5182 for further information.

RECYCLING COMMITTEE

The Canaan/Orange Recycling Committee began meeting in April of 1990, with the goal of implementing recycling within the two towns.

On the weekend of August 4th., in conjunction with Old Home Days, the Canaan/Orange Residential Recycling Center opened for business, with a rented five bin roll-off, two dumpsters, and a host of volunteers. Since that weekend, we have added a rented, closed top roll-off for newspapers and cardboard, two wire sleds for the collection of plastics, a shed for a respite from the cold, and many more volunteers!

In September we applied for matching funds from the state, in order to purchase our recycling equipment, and to eliminate our rental expense. Our proposal was accepted and we are in the process of finding and purchasing the most appropriate trailers for Canaan.

During the five months in 1990, we have recycled a phenomenal thirty one tons of material. The key to our success so far has been cooperation and participation. None of this could have been accomplished without the suggestions and the cooperation of our Selectmen and Town Administrator. Innovation in storage devices and transportation have been supplied by Bob Sullivan and his road crew. And, of course, we are extremely grateful to our group of volunteers.

Respectfully submitted,

Recycling Committee

UPPER VALLEY HOUSEHOLD HAZARDOUS WASTE COMMITTEE

The Upper Valley Household Hazardous waste Committee held its seventh annual collection of household hazardous waste materials on May 5, 1990.

The 1989 annual collection served 280 households and no one had to be turned away. Last May over 340 households were served with the help of a 20% increase in budget. When our funds were exhausted, the hauler had to close down and about 100 cars were turned away. This increase in community participation shows that citizens are aware of the importance of keeping toxic materials out of landfills and are willing to support such a program with their own efforts.

The Committee receives the major portion of its financial support from regional landfills in the Upper Valley. In addition, contributions from local businesses and organizations, grants from the states of New Hampshire and Vermont, and on-site donations have made it possible for us to conduct seven successful annual Collection Days. However, each year costs increase for the federally licensed hauler, for the trained certified chemists on site, and for the disposal of the hazardous materials at out-of-state licensed facilities. This year the Committee is looking for additional funds so that all residents who come to the site can be served.

The next Collection Day will be held on May 4, 1991. Area residents are welcome.

Colin High, Chairman

UPPER VALLEY LAKE SUNAPEE COUNCIL

During 1990 the Upper Valley Lake Sunapee Council was involved in a variety of activities, as follows:

As in the past several years, we provided consultation and help to over two thirds of the local communities who requested help.

Continued to work with the Geographical Information System (GIS). We completed a regional land use analysis and began work on region wide data layers for base maps, including municipal boundaries, roads, water bodies and rail lines. We were designated as an official Service Center by the Vermont Office of GIS. We were also instrumental in getting our Vermont towns to the top of the list for state funded base mapping of tax plat maps. We began GIS project work for Hartford and Thetford.

Continued to promote a consistent land use classification system for both New Hampshire and Vermont to use in GIS mapping.

Developed a Land Use element for the Regional Plan. This included creating a series of four regional land use maps using the GIS.

Met repeatedly with state officials and agency representatives to influence policy and help keep the region an active participant in many ongoing programs.

Maintained a library of regional data; answered numerous requests for information.

Assisted the Upper Valley Solid Waste District (on the New Hampshire side), sponsored a number of meetings of the district, worked toward revising the district plan to accommodate comments from the State of New Hampshire, and worked toward implementation of regional solid waste solutions, where appropriate.

Continued to make available the services of a recycling coordinator to New Hampshire towns. Among other things, we assisted in a number of successful grant applications for recycling projects.

Continued to administer the Upper Valley Household Hazardous Waste Collection program. Helped move the program toward providing some form of year-round collection efforts, coupled with increased public education.

Completed a number of Water Quality Management Plans for inclusion in Town Master Plans under NH Chapter 167.

Participated in a second year of statewide dialogue regarding Impact Fee legislation during the legislative session in New Hampshire.

Sponsored local sessions of the New Hampshire Municipal Law Lecture series.

Participated in the Governor's Council for the 21st Century.

Administered a number of Community Development Block Grants. These grants have brought several million dollars worth of rehabilitation and municipal improvement funds into the region during the past few years. Only two of the nine regional planning agencies in New Hampshire provide this service.

Continued to work with the computer model developed during the Upper Valley Transportation Study to assess the traffic impacts of several large proposed development projects, and to assess the impacts of changes to the roadway network.

Continued support for the Transportation Coordinating Committee formed in 1989 at the request of the New Hampshire Department of Transportation.

Provided technical assistance to Advance Transit and County Coach.

Worked with the communities around Lake Sunapee to develop a shoreline protection ordinance.

Worked closely with the Upper Valley Land Trust, Society for the Protection of New Hampshire Forests, the Trust for New Hampshire Lands, and the Connecticut River Watershed Council, to protect open space and conserve important parcels of land.

Continued to participate in the work with the Connecticut River Valley Resource Commission. This commission allows New Hampshire towns in the Connecticut River Valley to join together in addressing issues such as growth, development and preservation of the natural environment.

Completely revised and updated our Regional Profile and distributed copies to member towns.

The Upper Valley Lake Sunapee Council also provides specific services to communities on a contract basis. As requested by the communities, the Council conducted impact studies regarding proposed development, worked on amendments/updates to local ordinances and regulations, drafted new ordinances, performed capital improvement programs and provided general mapping, drafting, and other technical assistance.

The Upper Valley Lake Sunapee Council looks forward to serving your community during the coming year. Please feel free to contact us for more information about specific activities in your community or whenever we can be of assistance.

Moderator Milton A. Wilson reconvened the 1990 Annual Canaan Town Meeting at 1:00pm at the Canaan Elementary School gymnasium to take up Articles 3 through 17.

The moderator first read the results of the town officers' election and the zoning ordinance outcome (defeated on paper ballot with 298 YES and 457 NO) from Tuesday's voting. Next the Town Clerk swore Daniel W. Fleetham into office as moderator and Milton Wilson stepped down.

Moderator Daniel Fleetham presented the rules for the running of the meeting: 1) no smoking, 2) only legally registered voters from Canaan may exercise their voting rights, 3) a person must be recognized by the chair prior to his speaking and then he must direct all comments through the chair, 4) all discussion must be germane to the article on the floor, 5) all amendments must be in writing and only one may be on the floor at a time, 6) all makers of motions and all those who second such should stand and also give their names, and 7) the right to speak as well as the right to be heard will be respected.

Edward Labrie made a motion to waive the reading of the warrant articles 3 through 17, and Milton Wilson seconded that motion. By voice vote, the motion to waive the warrant reading was accepted.

Article 3: To see if the Town will vote to raise and appropriate the sum of four hundred twenty thousand dollars (\$420,000) for the purpose of financing the construction of certain capital improvements to and repairs to the Goose Pond Road bridge, No 087/074; four hundred twenty thousand dollars (\$420,000) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; to authorize the Selectmen to invest said monies and to use the earnings thereon for said project; to authorize the Selectmen to apply for, obtain and accept Federal, State or other aid, if any, which may be available to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto.

(Budget Committee Recommends) Edward Labrie made a motion to accept Article 3 as read; Russell B. Jamison seconded the motion. Considerable discussion centered around the replacement of the first bridge from Route 4 on Goose Pond Road and Robert H. Durfee of Rist-Frost Associates (consulting engineers) answered technical questions relating to the proposed 25' clear span concrete bridge to be placed 20 to 30 feet downstream of the present bridge location. Bridge construction and road realignment would be completed by November of 1990. The cost of the bridge and road construction is estimated to be \$330,000.; engineering fees, legal expenses, and land acquisition might cost a further \$90,000. The State of New Hampshire will reimburse the Town for two-thirds of the construction costs - \$220,000.

The moderator opened the polls for a paper ballot at 1:45pm; the polls would remain open for at least one hour and a two-thirds approval would be necessary to pass Article 3. The moderator appointed Milton Wilson his assistant moderator to handle the ballot box so that, after a brief time of allowing those present to vote, the moderator could continue with the warrant articles.

Article 4: Shall the Town of Canaan adopt the provisions of RSA 72:28, V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is \$100 rather than \$50.

(Budget Committee Recommends)

A motion to accept Article 4 was made by Edward Labrie and seconded by Russell Jamison. On a paper ballot (130 votes cast), the article was approved with 113 YES and 17 NO.

Article 5: Shall the Town of Canaan adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400 rather than \$700.

(Budget Committee Recommends)

A motion to accept Article 5 was made by Edward Labrie and seconded by Russell Jamison. On a paper ballot (122 votes cast), Article 5 was voted in the affirmative: 111 YES and 11 NO.

Article 6: To see if the Town will vote to adopt the proposed bylaw which will require waste haulers in the Town to set a lower rate for customers who sort and separate their solid waste for recycling purposes in the form which was posted with the Warrant and made available on the date of the meeting. Edward Labrie made a motion to accept Article 6 and Russell Jamison seconded the motion. By a voice vote, Article 6 was accepted.

Article 7: To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent meeting, to appoint the Road Agent commencing with the 1991 Annual Town meeting. A motion to reject Article 7 as read was made by Clayton Stark and seconded by Betty Fleetham.

Amendment: To see if the Town will vote to authorize that the position for Road Agent shall be filled by appointment of the Board of Selectmen. The Board of Selectmen shall appoint a Search Committee to review applicants for this position. The Search Committee shall consist of five members: one Selectman, the Town Administrative Assistant, one Budget Committee member, one Planning Board member, and one member of the public (appointed by the Selectmen). This would commence with the 1991 Annual Town Meeting. The amendment was made by Ernst Schori and seconded by Judith Kushner. The amendment was defeated by voice vote after much discussion.

Amendment: To see if the Town will vote to extend the term of office for the Road Agent from one year to three years, starting with the Town Meeting in 1991. The amendment was made by James Laffan and seconded by Donald Blunt. By hand vote, the amendment was defeated (total vote of 121, of which 56 were YES and 65 NO).

Article 7, as a motion to reject, was voted in the affirmative, by a show of hands with a total count of 108; 81 were YES to reject and 27 were NO to accept.

Article 8: To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend, without further action by Town Meeting, money from

the State, Federal, or other governmental units or a private source which may become available during the ensuing year, provided that such expenditure be made for purposes for which a town may appropriate money that such expenditures not require expenditure of other town funds. Further, the Selectmen will hold a public hearing prior to accepting and spending the money. RSA 31:95-b. A motion to accept Article 8 as read was made by Edward Labrie and seconded by Russell Jamison. Article 8 was voted in the affirmative by voice vote.

Article 9: To see if the Town of Canaan will authorize the prepayment of property taxes due the town to the Tax Collector as provided in RSA 80:52-A. A motion to accept Article 9 as read was made by Edward Labrie and seconded by Russell Jamison. Article 9 was voted in the affirmative by voice vote.

Article 10: To see if the Town will authorize the Selectmen to dispose of tax deeded property to the highest bidder of a property advertised for public auction. Edward Labrie made a motion to accept Article 10 as read, and Russell Jamison seconded the motion. By voice vote, Article 10 was voted in the affirmative.

Article 11: To see if the Town will vote to authorize the Selectmen to accept gifts in the name of the Town of Canaan. A motion to accept Article 11 as read was made by Edward Labrie and seconded by Betty Fleetham. Article 11 was voted in the affirmative by voice vote.

Article 12: To see if the Town will vote to authorize the Selectmen to borrow such sums of money in anticipation of taxes as may be needed to meet the necessary costs of running the Town. A motion to accept Article 12 as read was made by Edward Labrie and seconded by Russell Jamison. Article 12 was voted in the affirmative by voice vote.

Article 13: To see if the Town will vote to designate and proclaim April 22, 1990 as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching "The Decade of the Environment." A motion to accept Article 13 as read was made by Mark Larsen and seconded by Robert Reitsma. By voice vote, Article 13 was voted in the affirmative.

Article 14: To see whether the Town will vote to adopt the following resolution:

To authorize the Planning Board to review and approve or disapprove site plans for the development or change or expansion of use of tracts for nonresidential uses or for multi-family dwelling units in accordance with RSA 674:43, and to adopt site plan review regulations. If this resolution is adopted, the Town Clerk shall file with the Grafton County Registry of Deeds a Certificate of Notice that the Planning Board has been so authorized.

Edward Labrie made the motion that Article 14 be indefinitely postponed; Donald Blunt seconded the motion. Explanation was given that site plan review cannot be enacted by the Planning Board without having a Town-approved zoning ordinance. By voice vote, Article 14 was voted to be indefinitely postponed.

Article 3: At 3:20pm the moderator declared the polls closed for voting on Article 3. Of the 141 votes cast, 102 were YES and 39 were NO. To pass by two-thirds, 94 votes would have been required. The moderator declared that Article 3 was voted in the affirmative.

Article 15: To see if the Town will vote to raise and appropriate the sum of \$1,752,574 to defray Town charges during the ensuing year as submitted by the Budget Committee and that this represents the total amount voted including money raised in preceding special articles. A motion to accept Article 15 as read was made by Edward Labrie and seconded by Russell Jamison.

Amendment: To see if the Town will vote to raise and appropriate the sum of \$1,798,574 to defray Town charges during the ensuing year. The

amendment was made by Dexter Bucklin and seconded by Edward Labrie. The amendment was voted in the affirmative by voice vote. Article 15 as amended was voted in the affirmative by voice vote.

Article 16: To hear the reports of Agents, Auditors, Committees, or any other Officers and to pass any vote relating thereto.

William Tansey made the motion to accept the Canaan Town Report for 1989 as written, and Ernst Schori seconded the motion. Article 16 was voted in the affirmative by voice vote.

Article 17: To transact any other business that may be legally brought before this Town Meeting.

Milton Wilson thanked all candidates who ran in the election on Tuesday and applauded Edward Labrie's service as Selectman for three years. Jonathan Putnam and Alice Schori each thanked the Budget Committee for its dedicated work in holding the spending line.

A motion to adjourn the meeting was made by Edward Labrie and seconded by Russell Jamison; The motion was voted in the affirmative by voice vote and the moderator declared the Annual Town Meeting adjourned at 3:38pm.
